Hi Jocelyn,

After all these years, why now does Marin Catholic need to disturb and disrupt our way of life? It is sickening and disgraceful that this has gotten this far. We have two young children at Bacich Elementary (Public) School and the negative consequences of such a proposal is outrageous! By the way, this private school...aren't they tax exempt since they are owned and operated by the SF Archdiocese? Please NO! NO! NO! to this proposal!
