Dear Jocelyn Drake,

I am truly horrified at the idea of Making Marin Catholic into a busy sports center. On Manor Road where I live, the parking is difficult enough when someone has a party. The noise of the very loud speakers at M.C.'s many football games is already a gross intrusion on the privacy and quietness of our neighborhood. It is not fair to push on us all the attending commercial activities such as hot dog stands, beer bars, and hordes of people, etc., who couldn't care less about disturbing the peace of our quiet neighborhood.

Thank you for whatever you can do to prevent this disaster.
Sincerely,
Ann Armour
