Ms. Drake,

My family and I live on Edna Court, across from Bacich school. I wanted to express my nervousness about MC's plan. We already get MC students parking on our street most days. Our fear is that a football event calendar will take all of our street parking during the entirety of the football season, day and night.

Additionally, kids are constantly playing at Bacich. Using the Bacich and RVNS parking lots for football games and practices will raise the risk of a car accident for the kids playing in, and going to and from, Bacich.

Finally, I commute along SFD every day. I can tell you the last thing we need are more cars on that street. If anything, we ought to be shutting down the Wolfe Grade commute corridor coming over from San Rafael, not adding to the jam.

I'm certainly not against change and progress, but from what I'm hearing, it seems MC doesn't have much regard for the impact to our neighbors.

Thanks for listening, and good luck. I'm sure this isn't a comfortable process for you.

Nick Shenkin.
